

## **Video Building Inspections**

**Due to the current CODIV-19 crisis the City of Turlock Building will begin performing video inspections on occupied houses and other places where the Building Department has determined that our Building Inspectors cannot perform an inspection in a safe manner. The inspections will be done thru FaceTime or Google duo only and only between the hours of 8-9am and 1:30-3:30pm.**

**To schedule a video inspection:**

- Call (209)668-5542 ext 2223 to request a video inspection. Note if you want a FaceTime or Google duo call.**
- Request a time for the inspection of 8-9 am or 1:30-3:30 pm and leave a phone # to call. We will call you during the time frame requested. If you do not answer after the second time we call you must reschedule the inspection.**
- What is to be shown on the video is to be determined by the Inspector.**
- The inspector will email the results of the inspection to the Permit holder.**
